November 16, 2020

The CHA Office is open to the public by appointment or call ahead only. Staff is available Monday through Friday during business hours by emailing or calling the office.

For most business, a drop box is available in the laundry room adjacent to the CHA office by entering the door to the left of the building.

With numbers increasing, we remind you to continue to be compliant by wearing your masks, social distancing and handwashing.

Food delivery options are available through a few agencies in town. Please call the office for more information.

For residents of PBT, please keep traffic in the building to a minimum by limiting guests to health care workers, homemakers and select immediate family members. The Community Room remains closed.

The office still has a supply of masks for distribution. Please call if you would like to stop by and pick up a packet.

We appreciate your continued cooperation and welcome any comments or suggestions you may have.

Stay Safe. Be Well.

CHA Staff
